

Yellow warning Rain

Between
11:00 Thu 15 Feb 2024 and
23:59 Thu 15 Feb 2024

A period of heavy rain could bring some disruption during Thursday.

What to expect

- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer

Further details

Further rain, on already saturated ground, is expected to move north and east to affect parts of southwest England and south Wales on Thursday morning and will become persistent and heavy at times. 15 to 20 mm of rain is expected to fall widely with 30 to 40 mm likely over higher ground. The rain will start to die out from the west after dark.

What should I do?

Give yourself the best chance of avoiding delays by checking road conditions if driving, or bus and train timetables, amending your travel plans if necessary.
